Dear Emily,

How are you? Last week, my class went on a school trip to a science museum. It was an amazing experience! We learned about space, robots, and the history of technology. There was even a huge model of the solar system that moved!

My favorite part of the visit was the interactive zone. We could try different science experiments. I even got to control a small robot! It was a bit challenging, but really fun.

After the tour, we had lunch in the museum café and then walked around the gift shop. I bought a small telescope so I can look at the stars from my window at night.

I wish we could go there again! Have you ever visited a science museum?

Best wishes,

Olivia
