Hi Dad, it's Tom. It's 4 o'clock now. I'm at the shopping centre with Sarah. You know Sarah. She is my best friend! It was a busy day at school. We had a Maths test. It wasn't difficult. I like Maths, you know. After school, Sarah and I went to the park. It was sunny, and we walked for a little while. Guess what? We saw an unusual yellow bird. It flew from one branch to another. I took a photo of it. I'll show you later. Now I want to buy some food for our puppy. He is 4 months old today. Sarah also wants to buy food for her cat. Do you need anything? I can buy something for you. Please tell Mum I'll be home at 6 o'clock, and I'll help her with dinner. I can make pasta. I know you like it. See you soon!

Прочитайте текст. Для каждого предложения **A–E** выберите один правильный вариант ответа из выпадающего списка.

Crocodiles

There are a lot of animals on our planet. They live in different parts of the world, in water and on land. The easiest way to see wild animals is to go to the zoo.

Last Saturday, Oleg and his family went to the Moscow Zoo. The day was warm and sunny. It was very nice! Most animals were outside. They ran, played, and relaxed in the sun. Oleg saw giraffes, monkeys, elephants, and polar bears, but he liked the crocodiles most of all! At home, he surfed the Net and found some interesting information about crocodiles.

Crocodiles usually live in the jungle. They can be large or small. Crocodiles have got a long body, four short legs, and a long tail. They have got a big mouth, too! On hot days, crocodiles keep their mouths open. This is how they get cool! Crocodiles eat meat and fish, but they don't eat insects or plants. They usually live for 70 years.

Crocodiles can't climb trees, but they can walk fast, and they are very good swimmers.
