### Мы готовы начать.

Hello, my name is Linda and I send you all my greetings from San Diego. I enjoy playing the piano. I have a very good music teacher, named Miss Rowe. She teaches me how to play the violin, and I enjoy that a lot. I collect shells and rocks, and I've got quite a lot of them. I go swimming in the ocean, and I like running along the beach.

At weekends I come to my friend's matches. He is a football player. After matches we like eating ice cream, watching a film or playing bowling. Sometimes we go to the sports centre. We swim and play table tennis there. My family has an old country house, so I spend a lot of time looking after it – decorating, painting the walls, things like that.

Прочитайте текст. Для каждого предложения **A–E** выберите один правильный вариант ответа из выпадающего списка.

### Works of Art

Every country has its museums and art galleries. Some of them are world famous. A museum is a place where you can find collections of works of art or historic things. There are different kinds of museums: history museums, art galleries, archaeological museums, science museums and others. Russia is famous for its wonderful museums, too.
