Olympic Games

Вы проводите информационный поиск в ходе выполнения проектной работы. Определите, в каком из текстов A—F содержатся ответы на интересующие Вас вопросы 1—7. Один из вопросов останется без ответа. Занесите Ваши ответы в таблицу.

1. Where is the history of the Olympic Games presented to the visitors?
2. What were the reasons to stop the Olympic Games twice in the 20 th century?
3. How many Olympic Games were held in Greece?
4. What are the official languages of the modern Olympics?
5. What were the life-long benefits for the first Olympic Games winners?
6. What does the Olympic symbol mean?
7. Why was that place chosen for the Olympic Games?

A. A victory in the Olympic Games in Ancient Greece made a man a national hero and all the little children wanted to be like him. The first champions got free food and housing for their whole lives. They were mentioned in poems and became well-known all over the country. Sculptors even built statues of the competitors. Everyone respected and admired them.

B. Olympia was a relatively peaceful and neutral area. It had a beautiful green valley which was very suitable for all kinds of sports competitions. People could easily get to Olympia because there were two rivers nearby. It was impossible to find a better place anywhere else in Greece.

C. The Olympic Museum was founded in 1993 in Switzerland. It is surrounded by a park with wonderful works of art based on a sporting theme. It has a big collection of pieces connected with the Olympic movement. It also has the largest number of books and documents about the Games in the world. No wonder the place is one of the main tourist attractions.

D. The modern Olympics began in 1894. Baron Pierre de Coubertin, a Frenchman, decided to bring back the ancient Greek tradition. He wanted to begin a sports festival to celebrate health, youth and peace. The first modern Olympiad took place in Athens in 1896. Since then, the Olympic Games have been held every four years with two exceptions because of the two world wars.

E. The Olympic Games traditionally start with the “Parade of the Nations”. Most of the participating athletes walk out into the stadium. The Greek athletes open the parade and the

hosts appear on stadium the last. The name of each country is announced in French and English, the official languages of the Olympic Games, and the language spoken in the country that organizes the Games.

F. The five Olympic rings represent the five main regions of the world – Africa, the Americas, Asia, Europe and Oceania. They are blue, yellow, black, green and red because every national flag in the world includes one of these five colours. The rings are connected and there is a reason for it. It's done to show that the Games are for all nations. All good sportsmen can come and compete against one another in unity.

David Beckham

Прочитайте текст. Определите, какие из приведённых утверждений 13–19 соответствуют содержанию текста (1 – **True**), какие не соответствуют (2 – **False**) и о чём в тексте не сказано, то есть на основании текста нельзя дать ни положительного, ни отрицательного ответа (3 – **Not stated**). Запишите в поле ответа цифру 1, 2 или 3, соответствующую выбранному Вами варианту ответа.

David Beckham

David Beckham – is there a more famous and lovable celebrity? The footballer who played for such famous teams as *Manchester United* and *Real Madrid* is also a fashion model and a successful businessman.

David Beckham was born on May 2, 1975, in London, England. His father Ted Beckham was a kitchen fitter and his mother Sandra, a hair stylist. David Beckham was the family's only son. A middle child between two sisters, David grew up with parents and relatives who were great fans of *Manchester United*, England's legendary football club. From childhood, David was a promising footballer. At 11 he won the prestigious *Bobby Charlton Soccer Schools National Skills Competition*. David was noticed by *Manchester United* team officials, who asked him to try out for the club's youth league. By the age of 16, Beckham had to drop out of school. He left home to play for his favourite team. Two years later he became a full-time player for *Manchester United* and one of its leading figures.

From 1992 to 2003, playing for *Manchester United*, David Beckham scored 85 goals. Every time he had a game, he wore different football boots – it was a sort of ritual for good luck. In 2003, David unexpectedly left his beloved team for *Real Madrid*. The reason was the growing conflict between David Beckham and Manchester's manager, Sir Alex Ferguson. Once Sir Alex Ferguson fined David for babysitting with his sick child, while his wife Victoria, a designer, was at a London Fashion Week Event. The fine was really large. The incident caused a serious personal tension between the two men and ended in Beckham moving to the other club.

In *Real Madrid*, David Beckham was not allowed to wear his favourite number seven, because the right to wear it was written into the contract of another player. Instead, David decided to wear a shirt with number 23, which was the number of his favourite basketball player Michael Jordan. Though David Beckham immediately became very popular with the *Real Madrid* fans and his shirt sales made a lot of money for the football club, the team didn't win any serious tournaments. Perhaps, it was one of the reasons why in 2007 Beckham signed a five-year contract to play for *the Los Angeles Galaxy* and moved to America. However, his

career in America was a rocky one – numerous injuries affected him. In May 2013, David Beckham announced his plans to retire.

It's important to say that David Beckham has always been a devoted husband and a loving father. David and his wife Victoria have three sons and a daughter. They say the boys are being trained as 'bodyguards' for their little sister Harper. The youngest, Cruz, has been practicing Taekwondo, Brooklyn is interested in boxing, and the oldest, Romeo, does karate. They are preparing early so that when Harper is older, "they will all be ready to protect her from noisy fans," David says.

Netball

You are going to read the text aloud. You have 1.5 minutes to read the text silently, and then be ready to read it aloud. Remember that you will not have more than 2 minutes for reading aloud.

Netball is played by over 20 million people in more than 70 countries of the world. It was invented in 1892 as women's basketball. However, netball is different from basketball in many ways. For example, the ball and the basket are smaller and the court is bigger. The players cannot run with the ball. They are not allowed to touch the players who they are playing with. Netball has seven players in each team (not five as in basketball). During the 20 th century, the game became very popular in English-speaking countries. Traditionally, only girls and women played netball. Nowadays, netball is the number one women's sport in the world but boys and men are starting to play it too.

Table tennis

You are going to read the text aloud. You have 1.5 minutes to read the text silently, and then be ready to read it aloud. Remember that you will not have more than 2 minutes for reading aloud.

Table tennis is the third most played sport in the world after football and cricket. It is considered to be an indoor version of Lawn Tennis. However, they have a lot of differences. Table tennis has a different scoring system, a smaller ball, smaller rackets, and a smaller playing area. Modern table tennis was invented at the end of the 19th century in England. Very soon the new sport became popular all over the world. In 1901, competitions with over 300 participants were already being held. According to numerous studies, table tennis has great effects on human health. It keeps the brain sharp and improves the player's coordination.

Water skiing

You are going to read the text aloud. You have 1.5 minutes to read the text silently, and then be ready to read it aloud. Remember that you will not have more than 2 minutes for reading aloud.

One day a young man who lived near the lake in a small American town asked himself, “Why can’t people ski on water if they can ski on snow?” With his brother’s help he constructed several models of skis to test his ideas. He experimented on the local lake for a few days and created skis suitable for the water. This happened in 1922. The young man, who was only 18 at that time, didn’t patent his invention. However, he performed a lot of shows across the country that made him and the sport of water skiing popular. Later, he was recognized as the creator of a new sport – water skiing. Water skiing equipment has been greatly improved since that time, and the number of people who enjoy this sport is growing in many countries.
